

# EMPM Scholarships

The Hertie School of Governance invites exceptional candidates to apply for a scholarship for the **Executive Master of Public Management**. The EMPM is an international executive master programme for professionals and executives from the public, private, and non profit sectors offered jointly by the Hertie School of Governance and the University of Potsdam. The fully accredited programme provides expertise and additional qualifications in Management, Governance and Leadership and can be completed in 1 year full-time or over 2 years part-time. All courses are held in English and at the Hertie School of Governance in Berlin.

Applications will be accepted until **15 March 2012** for the following scholarships:

**EMPM European Scholarship** for professionals working for an EU institution or on European or EU-related issues.

**EMPM CommIO Scholarship** for German officials working in international organisations or European institutions.

**EMPM Behörden Spiegel Scholarship** for officials from the German public administration.

**EMPM NISPAcee Scholarship** for officials of the NISPAcee network (officials working for public administrations and institutions in “new” EU member states or candidate countries as well as the Russian Federation).
