By registering for Executive Seminars/Skills Trainings/the Leadership Programme/Certificates/Workshops of the Hertie School of Governance (Hertie School), the participant accepts the following terms and conditions:

1. Registration

- 1.1. The participant may register for Executive Seminars/Skills Trainings/the Leadership Programme/Certificates/the Brussels or the London Workshop via the online application module at <https://application.hertie-school.org>. Registration is possible throughout the year, on a first-come, first-served basis. Please note that submission of an online registration form does not yet ensure a participation in the chosen courses. The Hertie School needs about 1-3 work days to determine availability and whether the participant fulfils the admission criteria. If space is available, the Hertie School will provide the participant with an e-mail confirmation of his/her registration and with payment details. If a course is already fully booked, the participant will be placed on a waiting list of applicants and contacted as soon as space becomes available.
- 1.2. A registration becomes binding with the receipt of the confirmation e-mail. Please note that participation is only guaranteed after the Hertie School has received the full payment fee. Incidental banking fees have to be covered by the participant.

2. Cancellations, Transfers, and Substitutions

2.1. Cancellation by the Participant

- 2.1.2. A **transfer** to another course within the same academic year is possible free of charge, provided that space is available. In the case of a transfer within a certificate programme, a different course in the programme may be chosen as long as space is available. In case of a cancellation of the Brussels or the London Workshop, a transfer to any future workshop is subject to availability. Transfer to another course within the Leadership Programme, within the programmes organised jointly by the Hertie School and ESCP Europe is not possible. If the new course has a higher course fee, the participant will be charged the additional cost, but the participant will not be reimbursed should the fees of the new course be lower.
